### 70. 29-A—Civil Engineering—B. O.

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)*: I rise to move for an additional allotment of Rs. 26,000 under "29-A—Civil Engineering—B. O."

A new building is being constructed for providing accommodation for the nurses in the General Hospital, Ernakulam. The estimated cost of the work is Rs. 18,700 and the work has been let on contract at 198½ per cent above estimated rates. An amount of Rs. 26,000 will be required to meet the expenditure on account of the work this year. As there is no budget provided for the work this year, an additional allotment of Rs. 26,000 is necessary, under "B. O.-29-A—Civil Engineering".

*Demand put and carried*

### 71. 29-A—Civil Engineering—B. O.

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)*: I rise to move for an additional allotment of Rs. 56,610 under "29-A—Civil Engineering—B. O."

In order to provide accommodation for the newly started Training College, the North block of the Sirkar High School building at Trichur had to be extended. The estimated cost of the extension comes to Rs. 15,300 and the total cost including tender excess at 270 per cent above will come to Rs. 56,610. There is no provision for the work in the budget, and payment has to be made this year. An additional allotment of Rs. 56,610 is necessary under "29-A—Civil Engineering—B. O."

*Demand put and carried*

### 72. 29. A-Civil Engineering—B.O.

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)*: I rise to move for an additional allotment of Rs. 50,000 under "29-A—Civil Engineering—B. O."

This is for the cost of construction of a new still. The four stills in the Trichur distillery were not able to manufacture arrack sufficiently to meet the increased demand as three of them are very old and only one is new. An additional still had to be put up urgently. The cost of constructing the still will come to Rs. 50,000 and the work has been entrusted for execution. As there is no budget provision for the work, an additional allotment of Rs. 50,000 is necessary under "29-A—Civil Engineering". I request the house to grant the additional allotment.

*Demand put and carried*

### 73. 29-A—Civil Engineering—B. O.

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)*: Sir, I rise to move for an additional allotment of Rs. 1,07,520 under "29-A—Civil Engineering—B. O."

The storage accommodation for salt at Malippuram is quite inadequate and the Excise Commissioner reports that two permanent godowns may be constructed immediatly. The estimated cost of the work will come to Rs. 28,000 and the total cost of the work including tender excess at 284 per cent above will come to Rs. 1,07,520. As there is no provision for the work in the budget an additional allotment of Rs. 1 07,520 is necessary under "29-A—Civil Engineering—B. O." I request the house to grant the additional allotment.

*Demand put and carried*

### 74. 29-A—Civil Engineering—B. R.

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)*: Sir, I rise to move for an additional allotment of Rs. 10,200 under "29-A—Civil Engineering—B. R."

The eastern wall of the main building of the High School, Thiruvilwamala requires reconstruction. The cost of the work will be about Rs. 2,000 at pre-war rates. As the work was urgent it had to be entrusted to the Contractor at 335 per cent above the estimated rates. The total cost of the work will come to Rs. 10,222 or Rs. 10,200 in round figures. As there is no provision in the budget for this, an additional allotment for Rs. 10,200 is necessary. I request the house to grant the additional allotment.

*Demand put and carried*

### 75. 29-A—Civil Engineering—B. R.

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)*: I rise to move for an additional allotment of Rs. 64,000 under "29-A—Civil Engineering—B.R."

LIBRARY ARCHIVES Kerala Legislative Assembly

Certain works of improvements to buildings, etc., had to be done at Ernakulam and Mattancheri in connection with the visit of His Excellency the Viceroy. The cost of the works will come to Rs. 64,000. As there is no provison for the works in the budget, an additional allotment of Rs. 64,000 is necessary under "B.R.—29-A—Civil Engineering". I request that the house may grant the additional allotment.

*Demand put and carried*

**76. 29-A—Civil Engineering—B. R.**

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)* : I rise to move for an additional allotment of Rs 40,000 under "29-A—Civil Engineering—B.R."

In connection with the visit of His Highness the Maharaja of Mysore,certain works of improvement, etc., had to be executed at Ernakulam and Mattancheri. As there is no provision for the works in the budget, an additional allotment of Rs.40,000 is necessary under, "B.R.—29-A—Civil Engineering". I request the house to grant the additional allotment.

*Demand put and carried*

**77. 29-A—Civil Engineering—B. R.**

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)* : I rise to move for an additional allotment of Rs. 6,161 under "29-A—Civil Engineering—B.R."

Glass shutters attached to the South block of the Maharaja's College were removed on account of A.R.P. restrictions. With the improvement in the War situation, these glass shutters have to be refitted. The work of refitting was entrusted to the contractors for execution and the amount required for payment this year on account of the work comes to Rs. 6,161. As there is no provision in the budget, an additional allotment of Rs. 6,161 is necessary under "B.R.—29-A—Civil Engineering". I request the house to grant the additional allotment.

*Demand put and carried*

**78. 29-A—Civil Engineering—B.R.**

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)* : I rise to move for an additional allotment of Rs. 16,650 under "29-A—Civil Engineering—B.R."

In order to provide accommodation for the Training College newly started at Trichur certain urgent repairs connecting the block between east and west blocks of High School, Trichur were found necessary. The estimated cost of the work comes to Rs. 4,500. The total cost of the work including tender excess at 270 per cent above estimated rates will come to Rs. 16,650. As there is no provision in the budget an additional allotment of Rs. 16,650 is found necessary under "29-A—Civil Engineering—B.R.". I request the house to grant the additional allotment.

*Demand put and carried*

**79. 29-A—Civil Engineering—M.O.**

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)* : I rise to move for an additional allotment of Rs. 47,936 under "29-A—Civil Engineering—M.O."

For the execution of P.C.R. works to public buildings there is only a provision of Rs.23,624 in the current year's budget. The sanctioned allotment as per the list received from the Chief Engineer amounted to Rs. 25,297—15—0. In view of the high rates of tender at which the works had to be entrusted for execution, an additional allotment of Rs. 47,936 is found necessary under B.I. 281/20 P.C.R. works to Public Buildings under P.W.D. I request the house to grant the additional allotment.

*Demand put and carried*

**80. 29-A—Civil Engineering—M.R.**

**Mr. V. K. Aravindaksha Menon** *(Chief Engineer)* : I rise to move for an additional allotment of Rs. 7,000 under "29-A—Civil Engineering—Miscellaneous Repairs".

The western gas tank, Maharaja's College, broke down due to the deterioration of the Crown plates. The gas required for sterilisation, etc., in the General Hospital and the gas requirements of the Maharaja's College laboratory are supplied by the gas plant erected in the Maharaja's College. The work of repairs is let on contract and the expenditure will come to Rs. 7,000. The entire expenditure is proposed to be met this year and hence an additional allotment of Rs. 7,000 is necessary. I request the house to grant the additional allotment.
